

Adult Clinic Registration Form

An adult clinic is a great way for an individual to be introduced to the game of golf. The clinics are geared towards individuals who have little or no experience with the game. The clinics consist of four one hour sessions running concurrent weeks. The number of students per clinic will be limited, a minimum of four to a maximum of eight students per session. Each clinic will be taught by a certified CPGA professional.

We will give the student an overview of the main areas in the game of golf. Lesson one will be on putting, lesson two on chipping, lesson three on pitching and lesson four on the full swing (irons and woods). The hour will consist of instruction, practice, rules and etiquette information, as well as some knowledge of golf equipment.

The clinics will run from 6:30-7:30pm on the below dates.

Registration for all four clinics is \$60.00 plus GST.

Register for a single clinic for \$25.00 plus GST (this option is available upon space and preference will be given to individuals registering for all four clinics).
